ALBANY, New York

**APPLICATION FOR CLUB MEMBER WEBSITE LINK**

---

NOTE: Member links are **\$12.00/year** payable with dues. Links run from the first day of the Club Calendar Year through the last day, *approximately*. Rate is prorated the first year at \$1 per month remaining. You must be a club member in good standing and have a signed Code-Of-Ethics on file with the club Secretary. Links should be to your own regular private website; try to avoid forums or links to sites that advertise for breeders as a service. (i.e. MSN, MySpace, Twitter, Facebook, breeder directories, and similar multi-breed websites etc. etc., however, the Website Committee will review and consider all.) Websites or Webpages should be “in good taste”, somewhat educational, and informative. Members who fall out of Good Standing will have their links removed without refund. Listings are alphabetical by primary breed. Not a Breeder? – have a Sitting/Walking service or do Boarding etc.? Others will also be considered at the discretion of the Website Committee, listed alphabetically after Breeders. First, send application to the Webmaster. If approved, send payment to the Treasurer. When the Treasurer indicates that payment is made (or send a copy of your check to the webmaster), your link will be listed. Thank You for Participating.
